~~Mr. Steve Mann~~, Mayor  
City of Lodi  
221 W. Pine Street  
Lodi, CA 95240

Dear Mayor Mann:

We are asking for an opportunity to briefly address the City Council of Lodi with an overview of the Family Preservation and Family Support Program Plan. We anticipate that the presentation will take no more than five minutes.

As coordinators of the San Joaquin County Plan, we want you to know what activities the Plan is implementing through grants awarded in various cities. In your area, one or more projects have brought together community members and agencies in a committed partnership. This partnership will support the growth and development of healthy children and families in your community.

Thank you very much for your assistance. We look forward to sharing more information about the Family Preservation and Family Support Projects at one of your upcoming meetings.

If you have any questions or need any additional information, please feel free to contact us at 468-6611.

Sincerely,

Al Murillo  
FPSP Coordinator
